

Hepstow Brushed Brass Bathroom Tap Range

Manufactured from high quality brass for long-lasting use, the brushed brass finish produces a shine which won't fade over time. Highly contemporary in its design, this tap features easy-to-turn controls, allowing you to set the perfect temperature and flow. Ceramic disc internals help minimise the risk of drips forming.

No chemicals should be used when cleaning this product range. Use a sponge and warm water ONLY.

- Brushed brass finish
- Manufactured with high quality brass
- Neoperl air aerator for smooth flow
- Minimum bar pressure required to outlet:
